

### COVID-19 RECOVERY CHARGE NOTICE

To our valued customers, in order to stay in business and provide you with the quality service that you have come to expect from us, we have implemented a 10% COVID-19 Recovery Charge to all DINE-IN transactions. This temporary charge allows us to stay in business, keep our staff employed, and provide for our families during these uncertain times. The charge does NOT apply to delivery or takeout orders.

The COVID-19 Recovery Charge is not a substitute for a tip or gratuity for waitstaff.

We thank you for your patronage and continued support. It is our pleasure to serve you.

The New York City Council allows the 10% COVID-19 Recovery Charge up to 90 days after the reinstatement of full capacity indoor dining.

## Keep Your Restaurant in Business by Adding a COVID-19 Recovery Charge!

At Valor PayTech, we understand how difficult it is for business owners like you to run a dine-in business during these uncertain times.

As of September 30th 2020, New York City has approved a new bill that allows all dine-in business owners to add a 10% COVID-19 Recovery Charge to all customer bills that are dining indoors or outdoors at their place of business.

Valor PayTech can help you seamlessly and easily implement the COVID-19 Recovery Charge into your dine-in business using our POS devices. Our VL100 and VL110 offer a convenient, intuitive, and fully compliant solution that already have the COVID-19 Recovery Charge built into them and are available for immediate use!

The VL110 is a handheld payment terminal that supports WiFi and 4G GPRS communications making it a perfect Pay At The Table solution that allows you to save money while giving your customers the convenience of paying at their table side.

Simply enter the transaction amount and our POS devices automatically calculate and apply the 10% COVID-19 Recovery charge as an additional line item. It's that simple!

# Valor PayTech Provides You with Everything You Need!

- ✓ Fully compliant technology to add the COVID-19 Recovery Charge
- ✓ Signage to make your customers aware of the COVID-19 Recovery Charge
- ✓ Ability to get the full sale amount plus 60% of the COVID-19 Recovery Charge
- ✓ Batch reports showing your total amount of sales, 10% COVID-19 Recovery Charge total, and net deposit

## COVID-19 RECOVERY CHARGE NOTICE

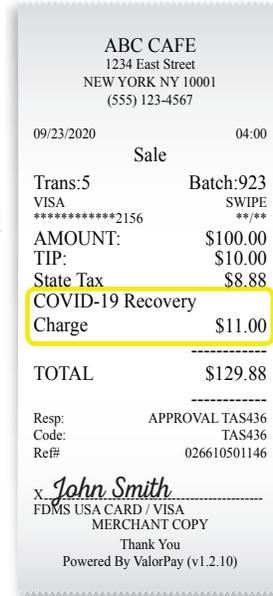

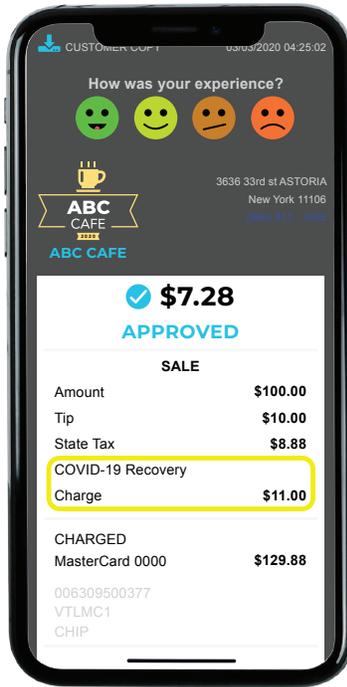

To our valued customers, in order to stay in business and provide you with the quality service that you have come to expect from us, we have implemented a 10% COVID-19 Recovery Charge to all **DINE-IN** transactions. This temporary charge allows us to stay in business, keep our staff employed, and provide for our families during these uncertain times. The charge does **NOT** apply to delivery or takeout orders.

**The COVID-19 Recovery Charge is not a substitute for a tip or gratuity for waitstaff.**

We thank you for your patronage and continued support. It is our pleasure to serve you.

The New York City Council allows the 10% COVID-19 Recovery Charge up to 90 days after the reinstatement of full capacity indoor dining.

End of Report

You receive the full sale amount on every transaction made with credit and debit cards without paying any fees, as well as 60% of the 10% COVID-19 Recovery Charge.

The remaining 40% of the COVID-19 Recovery Charge goes to Valor PayTech to pay for all your debit and credit card processing fees listed below:

- Interchange plus
- Authorization costs
- Transaction costs
- Technical support

### EXAMPLE

**Transaction Total = \$100.00**

**10% COVID-19 Recovery Charge = \$10.00**

**Transaction Total with 10% COVID-19 Recovery Charge = \$110.00**

**Merchant Profit = \$106.00**

(Transaction total with 60% of the 10% COVID-19 Charge)

Merchants do NOT pay credit or debit card fees under zv.

## Make 9% More Revenue on Your Gross Credit & Debit Sales!

Adding 6% extra income by including the COVID-19 Recovery Charge and saving an average of 3% on credit and debit card fees with Valor PayTech gives you 9% more revenue!
