Get Your Free Virtual Terminal Today!

At Valor PayTech we are always looking to help you succeed. As a valued merchant we understand that due to COVID-19 and the ongoing pandemic that businesses are suffering. Merchants now need to operate contactlessly and be able to accept payments anywhere with a mobile device. That is why we are offering our Valor PayTech Virtual Terminal free to all of our merchants for the remainder of 2020! That means no monthly fees for the rest of the year!

The Valor PayTech Virtual Terminal is a contactless solution and available to download through any Android operated device. We're giving you the power to accept payments anywhere on the go, safely in a contactless environment, with no monthly fees for 2020. Once you're setup on our virtual terminal you also have access to the Valor Portal and CRM!
