\$190.00

Upgrade To The Valor VL100 Pro-Now On Sale!

Introducing the Valor **VL100 Pro**, an upgraded version of the VL100. This newly released model enables businesses to leverage the latest POS technology to streamline operations and enhance customer experience, all within a budget-friendly framework. Normally priced at \$230.00, the VL100 Pro is now **on sale for \$190.00 until August 2024** while supplies last!

Best-in-class technology at an affordable price

The VL100 Pro provides the most advanced POS technology at an affordable price. Driven by the latest advancements, including built-in NFC card readers and extendable Micro-SD memory, it delivers exciting payment technology for efficient transactions.

Contactless and secure transactions

The VL100 Pro offers the latest EMV card technology with dip, tap, swipe, and EBT transactions, catering to a wide range of customer demands. Embrace the future of contactless payments with integrated smart cards and magnetic card readers, rendering complete security for the customers.

Intuitive touchscreen and integrated keypad

Perform operations and tasks quickly with an intuitive wide touchscreen. The VL100 Pro offers a smooth checkout experience with the help of an integrated keypad, keeping safety and security in mind for all your customers.

Durable, reliable, and powerful

The VL100 Pro is designed to be both durable and reliable, ensuring that it can withstand the rigors of daily use in any business environment. This powerful device facilitates fast and secure transactions, providing peace of mind for both business owners and their customers.
